08/24/2023

The Akron Beacon Journal reporter Mark J. Price attended our 47<sup>th</sup> ACBS NCO Boat Show with specific mission in mind, to write an article of the love story and boat story of our very own Bud and Ginger Long.

Voyage of a lifetime: Married 56 years, Portage Lakes' couple owns boat from first date.

Bud and Ginger Long of Green met in Michigan over 60 years ago and took a boat ride. They're still making waves.
