**Boat Launching and Docking for Awards Dinner**

Launching facilities from trailers are available at the Old State Park Launch Ramp, located at 4400 State Park Dr., Akron 44319 off SR 619. There will be NCO members at the ramp starting at 7:30 to assist in unloading and after the show for loading. There will be room at the Turkeyfoot Island Club docks for about 10 boats depending on size during the awards banquet. Boats must be removed at the end of the evening as the Club has an activity planned for Sunday morning requiring all docks unless you are an overnight guest. If you desire to pull your boat out of the water and attend the dinner, we will assist you in parking your boat in a safe location overnight. NCO club members who live on the water have offered docking space at their home docks near the Club for those who wish to leave their boats in the water overnight. **There is no space at the Club for boats and trailers.** There are secure parking locations available for boats on trailers during the awards banquet. See Gil Maringer for details.
