

The North Coast Chapter “BEACON”

December 2024

Happy Thanksgiving to all the members of The North Coast Ohio Chapter of ACBS.

I love Thanksgiving and all that it stands for, from the pilgrims and Indigenous people sharing a bountiful harvest to more importantly, Giving Thanks for the Blessings of the past year.

Yes, this time of year you can drive down a street with blow-up reindeers in the yard and five doors down you see ten-foot skeletons that have outlasted the bags of candy the kids collected, with hardly any Thanksgiving symbols. Other than grocery store ads about sales on frozen turkeys, there is little if any outward decoration of one’s appreciation of the day we gather to give THANKS.

Hopefully everyone will be able to gather with family or friends to give thanks for our blessings and love around the table and in our hearts.

Dave Rosenberger – President

Everyone receiving this issue of the Beacon should have received an Invitation to attend:
